L. SHATTUCK. For Surveyor Leit Vacant

The Democratic party of Cochise county, Arizona, in convention assem-bled, hereby reaffirm our belief in and allegiance to the time honored principles of Democracy, and do unqualifiedly endorse the Democratic National Platform adopted in Chicago, and Democratic territorial platform a adopted of Williams, and the national and territorial lights, and as congratulate the people cicket, and we congratulate the people that after the most strenuous attempts to subvert those traditions and princi-ples, by those high in power and in the interests of the money lenders of Eu-rope, the Democratic party has risen in its might and cast out such traitors and has forced them into the party of plutocracy, corporations, and assassins of labor headed by Mark Hanna and his gang, where they properly belong, and where they are receiving the hearty support and co-operation of every monoply and

corruptionist in our country. We congratulate ourselves and the whole people that every industrial soci-ety and all parties which sincerely helieve in our government returning to the money of our fathers and the constitution, are with us today in this mighty struggle for the emancipation of sixty ons of white slaves from the corrupting influences of gold monometalism, and that there is every reason to believe from the signs of the times, that the machinery of this government will again soon be placed in the hands of

the people. We believe the free and unlimited coinage of silver is the paramount and overshadowing principle of the present campaign, an 1 that no person should be elevated to office or position of power who does not believe in such free coinage by our own government, without wairing for the consent or assistance of other nations for we charm that it was the corrupting influences in Europe whichforced upon its people gold monometallism and therby reduc-ed the wage earners to serfdom; and a; and the same people who wrought such havoc WASHINGTON CAMP NO r MEETS thing here, and to our sorrow, they have rist Friday evening in each month. Vispartally succeeded; thereby reducing partally succeeded; thereby reducing partally succeeded; thereby reducing the majorty of our own people to finan-cial slavery, and impoverishing every producer of wealth in the United States. The contraction of the currency, of our country, by the demonetization of silver was the most gigantic and heinous crime ever perpetrated on any people in the responsible for it are traitors to freedom and Republican institutions, and those who would now seek to maintain the present miserable condition of our own people by the maintenance of the present gold standari when the present op por unity is offered in an expansion of currency for the alleviation of the sufferings of humanity, are parties to that great crime, in sympathy with the influ-ence which seeks to establish on the nains of our government a plutocracy; or, they deceived and misled by the glittering falshcods circulated by the enemies of the people-the money

changers of the east. We pledge our party that every nomi-nee of this convention is a free silver man who endorses every sentiment of this p'a form, and we ask the endorse-ment of their candidates by the people and we p'edge to the people a more economical administration of territorial and county affairs than has characterized our government for the past two years and that no more revenue shall be raise by taxation and is required for the maintainance of our county government economically administered, and that the revenue raised shall not be diverted for and other purpose than the strict adm istration of county government. In ask-ing the co-operation of the people, we pledge an efficient, bonest and economi-cal administration.

A. Wentworth, the candidate for reasurer, has been a resident of the past four years has filled the office of recorder with credit to himself and esticiaction to the people. He has held positions of trust and much noney has been entrusted to his care.

M. J. Brown, of Biebee, the nomipee for recorder, is a most successful business man, possessing the ability to ably conduct the duties of that office, and as its custodian the records would be carefully and neatly kept.

A. R. English, septrant for the hon ors of district attorney, has filled that position for four years and made a most favorable record. He is a man of ability whose knowledge of the law is surpassed by few of the Arizona bar. He has a lucrative practice which speaks volumes for his attainments in legal talent and efficiency.

S. A. D. Upton, the probate judge nominee, is a young man of rare intellectual endowments, and has been a recident of the county for a number of years. He has interested himself in chool matters and is in every way qualified for the various duties of the office to which he sepirer.

In the selection of supervisors great care was exercised to select representative men, men who had been successful in their own affairs, men who are thoroughly competent to administer the public affairs of this county and guard the welfare of the people and carefully expend their noney, so as to do the most good to the greatest number, and when Lem Shattuck and Jos. McPherson were selected all this was secured.

B. A. Packard reneminated for the territorial council is one of the best known men in the county is one of the heaviest taxpayers and has done much to advance the interests of his county. He served with credit in the last legislature and through his instrumentality many good bills were placed on the statute books.

. N. Jones of Bisbee, J. C. Merrill of St. David and J. J. Riggs of Brannock are representative men who have many friends and in everysense well qualified to fill the honorable positions. The people could rest assured that the county interests would be in sale hands and will be guarded and watched with utmost vigilancy.

TOMBATONE, Ariz., Oct. 8th, 1896. MR. CHAIRNAN :- We, your commit tee, respectfully submit the following resolutions for the consideration of the Resolved, That we most heartily

endorce the principles of the Republican party as enunciated by those great leaders-Lincoln, Seward and Chase-and that we pledge ourselves to maintain and support the doctrines of the party as set forth by them. And we especially call the attention of the people of the land to the advice dress by that patriot, soldier and all his interests in this county. statesman, George Washington, as it reject as un-American and unworthy of acceptance, any suggestion of submitting snything apper sining to American affairs to a foreign coulerence, believing that we are fully able to defend our country and protect ourselves.

We approve of a tariff that will give American labor a just return, and furnish a recepue that will maintain our government, and also provide a sinking fund for the redemption of our national indebtedness.

We approve of a law of reciprocity that will add to our commerce and furnish a market for our surplus producte.

We insist that Arizona be given the this as a right and not as a favor .-

We demand a restriction of immimore care should be observed in admitting people to our shores, and that citizenship until they are fitted to exercise the same in an intelligent man-
